

HostelPalika - Main Features

By user type: Hostel Admin, Warden, Resident, Guardian, Cook

Hostel Admin (Owner)

Public impression & listing

- Hostel profile page: photos, facilities, location map, rules - shown on hostelpalika.com and the app
- Rate card per room type drives the public price
- Resident reviews and ratings on the public page
- Inquiries from prospective residents, with notes and status
- Online bookings: confirm/decline, held beds

Resident management

- Rooms & beds map with vacancy and repair status
- Register residents, activation codes, guardian links, fee status
- Existing-residents intake for hostels joining mid-way
- Move-in / move-out flow
- Referral codes and reward payouts

Financial management

- Fee schedule per room type; monthly invoices on the Nepali (BS) calendar
- Joining invoice: admission fee + security deposit in one payment
- Record cash, approve payment proofs, reverse payments
- Online checkout via eSewa / Khalti; payment setup and QR
- Reconcile bank/wallet statements against payments
- Transactions ledger, automatic due reminders (push)
- Plan billing for the HostelPalika subscription (paid on the website)

Daily operations

- Food & menu with meal photos and resident feedback
- Night status: who is in tonight, overrides, absence follow-up
- Attendance
- Notices with read tracking; scheduled push notices (now/later/daily/weekly)
- Complaints handling
- Maintenance requests with verified service providers (incl. voice notes)
- SOS alerts with escalation history
- Community posts and report review

Staff & control

- Wardens: accounts with fine-grained permissions
- Cooks roster (many cooks per hostel)
- Reports: occupancy, collection, complaints, maintenance
- Supply store: order hostel supplies, cash on delivery
- Settings, notifications, web portal + Android app + PWA

Warden

Works inside the admin portal - only what the owner grants

- Register residents
- Edit hostel profile, manage rooms
- View payments, approve proofs, record cash, reverse payments (each a separate permission)
- Manage fee schedule and payment profile
- Manage food menu and notices
- View / update complaints
- View / update night status
- Manage maintenance requests

Resident

Joining

- Browse and compare hostels, map, saved list
- Send inquiry or book a bed online
- Activate account with the hostel's activation code

Fees & payments

- See invoices and dues, pay by eSewa / Khalti or submit a payment proof
- Receipts and invoice download
- Due reminders as push notifications

Daily life

- Food menu and meal feedback
- Notices from the hostel
- Night status - answer straight from the notification shade
- Attendance
- Digital ID card
- Community feed

Safety & feedback

- SOS button (in the header) - alerts staff instantly
- Complaints and maintenance requests
- Link guardians
- Reviews and ratings

Account

- Referral / offer program
- Notifications
- Profile and settings

Guardian

Stay informed about the resident

- Fee summary: dues and payments
- Hostel notices
- Food view: what is being served
- Safety summary: night status, attendance, SOS
- Emergency contact
- Notifications and messages
- Help & support

Cook

Kitchen

- Joins by cook invite from the hostel
- Set the daily menu
- Upload meal photos (food-ready log)
- See resident feedback on meals
- Community feed
